

## Social and Personal.

THE presence of the Yale Glee Club in Richmond this evening will be the occasion for several very handsome entertainments in its honor. About seventy-five of Yale's most representative men will make up the club, some of the celebrated football stars being among them. The patronesses for the evening include most of the married members of society. They are Mesdames Claude A. Swanson, J. K. Branch, Henry Landon Cabell, E. D. Christian, C. C. Blinckey, J. Scott Parrish, R. H. Lindsey, William Todd, A. D. Williams, Randolph Williams, Egbert Leigh, J. T. Anderson, Thomas N. Carter, Gideon Davenport, Isaac Davenport, Ormond Young, William H. Palmer, J. R. Sue Buck, Calvin Whitely, Ashton Starke, E. D. T. Myers, Hugh Campbell, A. S. Buford, J. R. Elmore Hotchkiss, J. R. Henry Hotchkiss, Allen Donnan, T. H. Perkins, M. H. Hoadley, C. G. Walker, Garrett Wall, William H. White, Cunningham Hall, Otway Allen, Misses Etie K. Branch and Frances Scott.

The committee in charge is most anxious for a large and representative audience, thereby adding it in arranging for the club's return next season. A dance will follow the concert, to which every one present is invited to remain. Holly and mistletoe and bowls of white roses with Yale pennants of blue and white silk very much in evidence will form the decorations of the two entertainments. The girls in honor of the Yale men. At Miss Frances Scott's buffet luncheon at 2 o'clock this afternoon, given in the handsome old Scott home, 712 West Franklin Street, which is famous for its beautiful entertainments, Mrs. George Cole Scott will assist in receiving. A great blue bell with streamers of wide blue satin ribbon will ornament the dining-room, and blue paper flowers will shade the lights throughout the house. Another very attractive affair to be given the Yale men will be a reception at 5 o'clock, followed by an informal hon. at which John G. Walker, Miss Annie Rose Walker and Robert Coleman Walker will entertain. Yale colors will also prevail throughout the rooms at this function, which will be a very brilliant one indeed.

The concert will be given in the Jefferson auditorium at 8:15 o'clock. Garlands of cedar hung with tiny crimson bells winding from a big red bell in the center of the hall to the four corners will decorate the auditorium. The program for the evening will be given by the Tuesday German Club. Wreaths of holly and mistletoe hung from the lights, which were shaded in paper flowers. The dining-room was also decorated in the holiday colors and vases of poinsettias and red-shaded candles were on each table. The dance was led by the Vice-President, John Akin Branch, dancing with Miss Etie Lindsey.

The chaperons were Mrs. Henry Landon Cabell, in rose-colored chiffon; Mrs. Charles E. Wortham, Jr., in pale blue chiffon; Mrs. James D. Patton, in

Business Man Suffered Agony—Head, Neck and Shoulders Covered—Became An Object of Dread—Consulted Most Able Doctors and Hospital but Got No Relief.

SURPRISINGLY QUICK CURE BY CUTICURA

"Cuticura did wonders for me. For twenty-five years I suffered agony from a terrible humor, completely covering my head, neck and shoulders, so that to my friends and even to my wife, I became an object of dread. At large expense I consulted the most able doctors and hospitals, but got no relief. During the last six months' efforts. I suffered on and concluded there was no hope for me this side of the grave. Then I heard of some one who had been cured by Cuticura Remedies and thought that a trial could do no harm. In a surprisingly short time I was completely cured. S. F. Keyes, 147 Congress St., Boston, Mass., Oct. 12, 1909."

CURED BOILS With Cuticura when Everything Else had Failed.

"I am very grateful for Cuticura as my daughter had been suffering for seven months with a great boil on her body. We tried everything which one could mention but nothing was any good. The boils made her very weak and ill and she could not leave her place. After using one bottle of Cuticura Soap, one box of Cuticura Ointment, two vials of Cuticura Pills and three bottles of Cuticura Resolvent she got quick well and has not had a boil since. I should have written to you before but have been waiting to see if she had any sign of any coming back. My daughter is eighteen years old. Mrs. Ellen Heather, Hildale Rd., Alameda, June 29, 1909."

Popular Verdict.

A woman customer was recently overheard to say: "I am going to follow the judgment of my friends this time. In the past I followed my own, and went wrong."

She made a wise decision and bought PATRICIAN.

Price \$3.50 and \$4.00.

At the Woman's Club, who addressed the members of the Woman's Club yesterday afternoon on the "Symbolism in Art," handled her subject as an artist who thoroughly understood the same, which she presented in a very interesting and delightful manner to her audience. She brought out the use of symbolism in flowers, colors, and more particularly, architectural and decorative art. She used the book of the Bible to show how from an artistic standpoint, if one understood the use of symbol, one could understand it. Throughout the whole, how much more interesting it became when one knew the wonderful, innumerable, color and form. For instance, in King Solomon's Temple, all was used as a whole to express varying shades of thought. Altogether, Miss Whitely was a charming and cultured speaker, and most pleasing to her audience.

We all want to be multi-millionaires, and we are looking for a sudden and quick method of success.

By success we mean accumulating a large fortune.

Be Earnest in Your Aims. Our eye is out for the sign, "A millionaire while you wait," as we pursue our daily avocations, just as sure as the continual leaking of a faucet wastes the water in a reservoir, so this continual frittering of our mental forces in frivolous and unfocused thought wastes our moral and mental strength.

The man who is in earnest not only brings the full powers of his own mind and soul to bear upon his project, but he draws about him the influence of invincible intelligence who people space and come to the aid of the deserver.

Whatever your aim is at this moment, be in earnest. Do you want an education? do you wish a congenial occupation? do you crave success in the arts, professions or trades? do you love some woman and long to win her affection? Whatever it is, be in earnest about it. Think of it with reverence and put all your powers of mentally and spiritually into your desire. Then work for your aim. You must attain it.

Soon after the ceremony the little party returned to Washington.

Motor Car Line to Reach Essex. Dr. Robinson Explains Project to Chamber, Which Thinks Highly of Move.

Representing the citizens of Essex county who are endeavoring to get into more direct communication with Richmond, Dr. W. E. Robinson, of Tappahannock, was in the city yesterday in the interest of an automobile line from Tappahannock to Milford, Caroline county, where it will make connection with the Richmond, Fredericksburg and Potomac Railroad. He talked with many influential people who were at once struck with the commercial value of the project.

Realizing the advantages to Richmond by having the people of Essex county do their buying and selling here, the Chamber of Commerce will give the proposition its hearty backing, not only in the way of influence, but by inducing local capitalists and business men to take stock in the company. No formal action could be taken by the Chamber yesterday, but the matter will be placed before the assembly at the next regular meeting, which will be held this month. Meanwhile, influential members are talking up the scheme so as to make a strong report.

Have Contracted for Cars. Before bringing the proposition to the Chamber of Commerce, Dr. Robinson had contracted for the purchase of two powerful motor-cars to be used on the line. The machines are to have a capacity of nine passengers each besides being capable of carrying freight to the amount of 1,400 pounds. They are of thirty-horsepower, and the manufacturers guarantee them to cover the forty miles between Tappahannock and Milford in from twelve to a half to three hours on an average. This will not only supply a long-felt want in the way of shipping and receiving freight, but will give the county a good mail service, an advantage that has long been without the reach of many parts of Essex because of poor railroad facilities.

"We have grown tired," said Dr. Robinson yesterday, "of waiting for the railroads to come to us, and it is our intention to demonstrate that this line will be a success; that the operation of such a road as we propose will pay. There are about 50,000 people in that section of the State who are now required to devote twenty-four hours to getting to this city. Our line will materially reduce the cost and the time, besides giving a direct outlet."

He added that the road was of easy grade, with little sand or mud along the entire route, and susceptible of being made one of the best highways in the State. It is the intention of the promoters of this company to get a charter and begin operations at the earliest possible date. The proposed franchise will cover also the maintenance of water craft and railroads.

A number of charters was granted yesterday by the State Corporation Commission to concerns which had delayed their applications until after the new year in order to save taxes and fees.
